ST. MICHAEL'S COLLEGE SCHOOL ALUMNI ASSOCIATION, 1515 BATHURST STREET, TORONTO, ONTARIO M5P 3H4

NOVEMBER, 1979

Annual Reunion and Turkey Roll Friday, December 7th 1979

As I sit on the patio writing this article, leaves falling and the steak bar-b-queing, it doesn't seem possible!! Visions of John Frizzell and Gene Natale buying chances for their buddies! Len Chilco rushing about selling tickets!! The Digger, the Coach and the rest of Hugh's crew doing a great job running the games!! It's all just around the corner!

The Turkey Roll is here again!! The old standby's will be there, as well as a lot of recent grads, back to have a good time with some of their old cronies!!

So come rain or snow, etc., etc., your Alumni Association kicks off the 79/80 year with one of the most popular events, THE TURKEY ROLL!! The Turkey Roll will take place on December 7th this year with the doors opening at 8:00 p.m. There will be lots of

turkeys, (both on and off the stage!!) gaming tables, refreshments, food and good company.

There will be a registration table set up in the Gym corridor and your paid up membership of \$10.00 will provide you with not only your membership but the Blue Banner for the year, your entry to the Turkey Roll, all your refreshments as well as food. We invite you, one and all, to attend this fun evening. So why not call up a buddy or two and come on over and join the festivities!

As usual, we could use ticket sellers for half hour periods throughout the night to sell the Turkey Roll tickets. Please make yourselves known to the Executive if you can spare the time!!!

We hope to see you all December 7th, 1979 at 8:00 p.m. in the Gym!

THE PRESIDENT'S MESSAGE

It is indeed an honour for me to speak to you at this time as your President for the upcoming year. I would like to welcome you to the 1979/80 edition of your Alumni Association and to introduce your Executive. Father Albert Butler returns as our Moderator and Dan Brennan will be this year's Vice-President. Harry Flood takes on the responsibilities of Secretary. Paul Thomson continues to contribute a tremendous amount of time and energy in many ways, including being Treasurer again this year. Joe Younder continues as House Chairman and of course, Bill Metzler (last but not least) occupies the Immeidate Past-President's chair.

I would like to thank all of last year's Executive and Councillors for their efforts in maintaining that high level of excellence that we have experienced over the years.

A hearty welcome goes out to two new councillors. Mr. Jim Panateleo, a recent grad, presently attending Ryerson and Mr. Wayne Horan have joined us this year and we look forward to their involvement during the year.

As a result of last year's memberships and participation in the activities, the Executive has been able to present, on your behalf, a sum of \$4,000 to the Scholar-

ship Fund. Scholarships are awarded on the recommendation of a committee and funds are allotted to assist needy students.

Our calendar of events this year includes the upcoming Turkey Roll, the Scholarship Draw in May '80, the Family Skating which begins in December, and the Golf Tournament in the spring. Details of these events are described elsewhere in this edition.

Our prime purpose is to provide a medium to you, the Alumni, a means to communicate the spirit and enthusiasm that helps to perpetuate the fellowship that began here at St. Mike's. The Alumni Association can assist in maintaining that unique bond of christian fellowship as we make our way through our individual lives.

Your Executive holds regular meetings in the Old Boy's Room above the Arena. You're welcome to attend, and for details call me at 279-1010 (bus.) or 827-5526 (res.).

Many thanks for your co-operation in the past and we look forward to bigger and better things in 79/80.

Sincerely yours,
John H. McCusker

MEMBERSHIP RENEWALS

Your continued support through membership fees is greatly appreciated. It plays a very important part in our efforts to keep the Alumni Association operating. The present level of the Scholarship Funds which we have been donating to the School is also a reflection of your support.

**HAVE YOU SENT IN YOUR \$10.00
MEMBERSHIP FEE?**

Where are they now?

Bob Bell — has been with the Fire Department in Toronto for several years.

Wayne Horan — is a Sales Representative with Penwalt of Canada.

Jim Pantaleo — is attending Ryerson in Toronto and working part time at St. Mike's Arena.

Ted Austin — is a Sales Representative, Specialty Chemical Division of Stauffer Chemical Co. in Toronto.

Dr. Hugh Canning — is a dentist in Toronto.

Frank Kalumut — is a dentist located on Scollard Street.

Leo Rautins — is playing basketball at Syracuse University.

John Grilli — is playing Quarterback for University of Toronto Blues.

Ron Kaknevicus — is playing football for York Yeomen.

Tom Dejak — is pitching for Kingston.

Pat Davis — is attending University of Western Ontario.

Nick Mihic — is attending medical school in Mexico.

Rob Pietrobon — is working in Toronto.

Ramunas Saplys — is a second year Med Student at U. of T.

Ambrose Campana — is working in Toronto.

Andy Kaknevicus — is working for the O.P.P. in Gravenhurst.

Nick Del Principe — is teaching at St. Robert's High School.

George Rautins — is in the banking business in Cornwall.

Vince Santoro — is working in Toronto.

Rob Stewart — is a lawyer in Toronto and playing for Estonians.

Al Nakrosius — is teaching and coaching football in Mississauga.

Sam Kaknevicus — is working in Burlington and playing for Estonians.

Steve Ignatavicius — is working in Toronto.

Pat Lee — is an engineer in Calgary.

Steve Wakely — is a lawyer in London.

Paul Schmidt — is a Social Worker in Toronto.

Cliff King — is a businessman in Nova Scotia.

Mark Petit — is teaching and coaching at Cardinal Newman High School in Toronto.

Jim Stewart — is now Dr. Jim Stewart.

Dave Wakely — is a lawyer in Toronto.

Thomas Wilson — is director of human resources at The Hanna Mining Company in Cleveland.

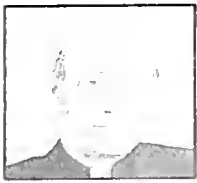

Tom Passarello — is a teacher-librarian at St. Benedict Junior High School, Cambridge.

Ice Rental Available

St. Michael's Arena is accepting bookings from Alumni and other interested groups for ice rentals from now through the 1980-81 hockey year. Some ice times available include:

- *Winter Months 1979-80 Daily at 6:00 p.m. Saturdays & Sundays at 10:00 p.m. Weekdays 7:00 a.m. - 2:00 p.m.
- *Spring 1980 (Apr. & May) Most evenings 6:00 p.m. Weekdays 7:00 a.m. - 2:00 p.m.
- *Summer 1980 Evenings 6:00 p.m. - 10:00 p.m.

Call Arena Manager Gerry Fullan (653-5806) for full details.

From the principal's desk

St. Michael's and the Educational Legacy of the Sixties - I

Norman Fitzgerald, CSB

When alumni return for a visit, they often ask me if the school has changed. From all external indications they see little that is different. The yellow brick corridors they knew still teem with youth in navy blue blazers. The teachers they remember are, in many cases, still here. And so they ask: "As a school, is it different from our day?" Looking at my visitor and recalling the era when he was at St. Mike's, I answer as befits his age: "No, not at all." or "Somewhat." or "Oh yes! You would notice some significant changes!"

And when I begin to describe those changes and their origin, I point to that famous decade in recent history when everything changed . . . the sixties. Invariably my visitor, especially if he went through St. Mike's prior to the sixties, nods his head in understanding, for that ten years period changed his life too.

The sixties brought changes to education that will continue to influence Ontario schools well into the eighties, though with some revision and change of direction in certain areas. These changes were sparked by an incident that took place a little earlier in 1958. That incident was the Russian achievement of lifting sputnik into outer space. That, in many people's opinions, was the catalyst that caused the upheaval. The sputnik spectacular awakened the western world to the realization that something was wrong with the way it was doing things - especially the way it was doing science.

The surprise and embarrassment at being "out-fished" by the Russians sent the United States into an anxious examination of itself and its system of education. The latter, rightly or wrongly, was found to be inadequate. As it was currently structured it would not graduate the men of science capable of meeting the

challenge of the age of technology. It very much needed to be overhauled.

As is so often the case, the overhaul gave little thought to the equally urgent need for the new scientists to be men of humanity as well as men of science - men who would stand with respect and humility before the mysteries of life and the universe. Without these attitudes they would run the risk of destroying both life and the universe, for they would possess the power to do so.

A balanced schooling in the humanizing disciplines of history, English literature, foreign languages, the antiquities, art, music, philosophy, ethics and theology, along with mathematics and science would instill respect and humility and ensure that scientific research would truly serve life and the universe and not endanger them. Unfortunately the new approach to curricula did not see these fundamental disciplines as important needs for the new scientists.

Canada was not immune to the mood of self-doubt and introspection that gripped the United States at this time. In our own province the department of education, for generations a symbol of right headedness and stability, came under pressure to change in the early sixties. The success of its system of education was held in high respect in the English speaking works, but as the decade moved ahead the system no longer seemed adequate when set against the challenges that lay ahead. A storm was gathering; one could feel it and St. Michael's had better be ready!

Next time: Robarts, the grade 13 'departs'; Hall-Dennis, Learning on Credit; Partnership with Separate Schools.

Third Annual Basketball Reunion

All former Blue Raider-players are reminded of the Annual Alumni Game to be held on Friday, January 18th. Plan to attend and renew acquaintances with

former teammates. For further information, contact John McCusker (827-5526) or Dan Prendergast (653-3180).

The Scholarship Draw of 1979

The annual draw which was held on May 16th was a huge success. A lot of really wonderful people, who annually support this fund raising event, enjoyed a fun filled and suspense filled (for those still in the running!!) evening with lots of food and refreshment. Background music was again supplied by Mr. Neal Pupulin and his accordion!

A rather pleasant note to the evening's activities was the fact that Bernie Smith and his very charming wife, Florence, were the winners of the top prize!! Bernie has been the top seller of tickets for this event ever since its

inception several years ago and this was the first time he had been a winner. Congratulations Bernie, you deserved it for all the work you've put into selling tickets. Don't make a habit of it though! (winning, that it!!)

The teachers were again in the chips (I guess the good Lord is repaying them for all their efforts at the Turkey Roll!).

I'm sure the students who benefit from this evening join me in extending a hearty thank you to all of you sellers and participants who have again made this an enjoyable and successful evening!

Scholarship Draw - 1980

The Annual Scholarship Draw is to be held again in May, 1980 in the school gymnasium. As in the past, it will consist of an elimination draw with a grand prize of \$5,000 and many other smaller prizes.

Once again, one hundred and fifty tickets will be sold at \$100 each. This \$100 donation entitles two people

per ticket to partake of a gala evening of dinner and refreshments as well as the opportunity to walk away with \$5,000.

Proceeds from this draw are used for scholarships and bursaries for deserving students.

For further information, contact John McCusker at 827 5526.

Membership Appeal

Are you a paid-up member of your Alumni Association? Have you sent in your membership fee each year when you received your first copy of the Blue Banner? A survey of our mailing list indicates that we presently have 2,954 Alumni on file. Last year, we received paid memberships from only 621 Alumni or only 21% of our mailing list. In 1974-75, we had 503 paid membership fees for your Alumni Association to \$10 an increase of 118 paid memberships despite the fact that there have been more than 600 new graduates from the school in those past five years.

This year, we have been forced to increase our membership fees from your Alumni Association to \$10 due to increased costs of operation. Over the past five years, postage and printing costs have more than doubled. In these past five years, your Alumni Association has spent some \$14,460 to keep you informed as to what has been happening around St. Mike's via letters and the Blue Banner. In return, we have collected \$15,296 in membership fees. This has left us with an average of \$167 per year in surplus funds to operate your Association. The balance of our operating revenue

comes from our Scholarship Draw each spring but each year as our expenses rise, the amount we can give to the School for scholarships decline.

In the past, we have said very little about those who have not bothered to pay their yearly dues, but have continued to keep their names on our mailing lists. Over the next three to five years, we will be monitoring the paid memberships. Those who don't pay their annual dues will not receive any mailings of the Blue Banner, etc. as this will indicate to us who is and who isn't interested in Alumni happenings.

With the high costs of education today, your Association should be able to provide more than \$4,000 or \$5,000 in scholarships to the school each year. We could increase our assistance if we are able to have more than 621 out of 2,954 Alumni pay their annual dues. Do not hesitate! Send in your \$10 dues in the enclosed return envelope today. If you feel that you cannot afford the \$10, then send in what you can. (Remember, your paid-up membership is your admission to the Turkey Roll on December 7th.)

1979 Summer Sports Program

The 1979 Summer Sports Program was expanded from the regular hockey school to include a new basketball camp, an adult hockey fitness camp, and a instructional tennis school.

The hockey school, under the direction of Rich Cornacchia of Henry Carr High School, enjoyed a banner year with attendance at 96 percent of capacity. The daily 3-hour sessions for boys aged 8-15 years were aided by such alumni as Rick Wilson (St. Lawrence University, Cornell) and Dima Pukh (Syracuse University, Cornell). Also, John Dineen (St. Lawrence University, Cornell) and Mike Pukh (Syracuse University, Cornell) were present. The St. Michael's College basketball camp was held at the St. Michael's College gymnasium. The St. Michael's College tennis school was held at the St. Michael's College tennis courts.

The basketball camp was instructed and directed by Dave Smith, coach of the senior Blue Raiders. During the camp, the camp operated for one hour sessions for boys aged 8-15 years. Over 100 boys attended, some commuting early from as far as Barrie, Guelph, and Oshawa. Staff members Paul Dignan and Dave Smith were other head coaches, while the student counsellor coaches were drawn from the senior Blue Raiders. Special guest instructors included alumnus Leo Rautins, a member of Canada's National basketball team and presently studying at Syracuse

University, and Jim Zoet, the 7' 2" centre of Canada's National team. Toronto Blue Jays second baseman, Danny Ainge, an all-American basketball player and a

Summer Basketball Camp 1979 (left to right) Jim Zoet, Danny Prendergast, Patrick McDermott, Leo Rautius.

member of the Utah State University team, was also a camp guest. Plans for the 1980 basketball camp include both afternoon and evening sessions, and a new special program tailored for girls.

The adult hockey fitness camp offered a one week evening training session in late August for players of OHA, College, and Professional teams. This new venture was directed by Rick Cornacchia and Mike Lynch, Head of Physical Education at George Harvey High School, and will be expanded to a two-week period in 1980.

The tennis school was conducted by Vlasta Brancovsky. The program offered instructional and recreational tennis for adults on the school courts during both daytime and evening hours from mid May to late August. Novice and intermediate level players formed the basis of this camp.

Alumni and their family are invited to participate in the 1980 Summer Sports Programs. The dates of operation are:

- * Hockey School (2 week session)
July 14 - August 22, 1980
- * Adult Hockey Fitness (1 week session)
August 11 - August 22, 1980
- * Basketball Camp (1 week session)
August 4 - August 15, 1980
- * Tennis School (2 days per week)
Mid-May to late August

Call the school (653-3180) for a free brochure. Enrol early for the widest selection of dates. St. Michael's Summer Program gift registrations make ideal Christmas presents!!

Barry McDermott

IN MEMORIAM

The Toronto Maple Leafs, and hockey in general mourns the passing of one of hockey's really nice guys.

Dead at 51, Johnny McLellan was a very valuable part of the Maple Leaf organization. John was apparently a roommate of Red Kelly in their days at SMC in the late '40s. He was part of the Joe Primeau coached team that won the Memorial Cup for St. Mike's in 1947.

His death is mourned by many in and out of hockey who knew him as a tremendously devoted hockey man but also as an ideal family man.

To his wife, Sheila, and his children, Danny, Donny, Karen, and John Joe, the Alumni Association extends its sincerest heartfelt condolences.

1979 Alumni Golf Tournament

On Wednesday, June 6th, 1979 forty-two Alumnus teed off at Carrying Place Country Club in quest of the Maurice F. Whelan golf trophy. Once again, we were blessed with beautiful weather and some excellent golfing and all who participated had a most enjoyable day followed by a delicious dinner.

Tom Sheedy, (who didn't finish his round until a most 8.00 p.m. as he couldn't get off until after teaching school that day) won the low gross prize with an 80. The low net winner was Jack Dockeray with a 71.

Father Whelan (with a net 79) and his group set the pace out on the course and as a result, we all had a

pleasant four hour tour of the golf course, which is something for a tournament today.

We feel that there are many more golfers amongst our Alumni and we would like to see this event grow in the years to come. We have already booked Carrying Place Country Club for Wednesday, June 4th, 1980 and we hope that we will have twice as many golfers out next year. We are asking everyone who played in this year's tournament to find out the other Alumnus or friend for the 1980 tournament, and if possible, have been able to come out for this event, to mark your 1980 calendar and arrange your foursome early. More details will be provided in our spring Blue Banner.

NEWS FLASHES

— We welcome two new councillors to the Executive, Wayne Horan and Jim Pantaleo.

— I recently met a grad of St. Pat's Ottawa, (circa 1957) who reminisced about playing football against St. Mike's and billeting with two bandits named Bell and Egan. Did you really take them to those places, Paul?

— Welcome back to the Maple Leafs two St. Mike's

boys, Dick Duff as an assistant coach, and Paul Gardner as a player.

— Congratulations to Leo Rautins on being honored as

Junior Athlete of the Year in 1978 at a recent ceremony in Ottawa. Leo, a National Team star, and a member of the second World All-Star team also had the honour of meeting Joe Clark.

The Dramatic Scene

Two years ago, a play entitled "Johannes Reuchlin and Talmud" written by a Toronto playwright, Basya Hunter, was presented at the Tarragon Theatre. It met with critical acclaim. Mrs. Hunter, however, decided the play needed some revision before its presentation in Germany in 1980. Because St. Michael's had requested permission to perform this very important play shortly after its first Toronto showing, the playwright has

honoured us with permission to do the first public presentation of the revised edition. This is a great occasion for the school and we hope to have many of our Alumni share in this event. The play will be performed November 16, 17, & 18th at 8:00 p.m. with reserved seats only.

Also, the Drama Club is pleased to announce that The Music Man will be performed in April '80.

FAMILY SKATING

Start limbering up Mom & Dad! Get the blades out and over to the sharpener! (or do you have the new type that need infrequent sharpenings?) This ever-growing event begins again soon. So, Mom & Dad, bundle up the kids and come on over to the Arena for some good exercise.

Every Sunday commencing December 2nd, from

12:00 noon until 1:30 p.m. there will be supervised family skating in St. Mike's Arena.

The costs this year have been increased due to higher ice costs, but it's still the best deal in town. Family memberships will be \$15.00 (up to 6 members) for the year or 75¢ per head at the door.

Everyone is welcome, so come on over!

The Sports Scene

Basketball — The future is very bright for Basketball at

St. Michael's as the young freshman bantam basketball team under the capable leadership of Mr. Paul Dignan capped off a very successful season by winning the TDCAA Championship by a convincing margin of 35 points over Chaminade. Their season record was 23-3 with no defeats in league play. You will be hearing the names of DiCosmo, Saplys, Melo, D'Agnanno a lot in the future years.

The Junior team had a fine year as well as they finished first in the western division of the league with a league record of 9-3. They won the quarter-finals, but were defeated in the semifinals by a very strong Neil McNeil team.

The Senior Blue Raiders finished the season in first place with a record of 13-1. After defeating Neil McNeil in the quarter-finals, the Raiders dropped a two game total point series to St. Basil's by the score of 110-106. The Raiders, in a rebuilding year, had an overall record of 23-11, being ranked seventh in Metro. The Raiders lost only one player, Oscar Traynor, through graduation. TDCAA All-Stars and Co-captains, Gino Saccone and Greg Hools are expected to lead the Raiders to another title this year. The much-improved play of Kirt Charter will add to the Raiders strength. The Raiders open their 1979 exhibition season on Nov. 6 playing host to Monarch Park. The league opens Dec. 3 with a home game against De La Salle. Raiders' other home dates are Jan. 3, 8, 10, 14, 30, Feb. 15, Game time is 3:15 p.m.

Volleyball — The senior volleyball team, coached by Vince Paglano, enjoyed a fine season after clinching first place on the last day of the season and is presently preparing for the playoffs.

Football — The Senior Kerry Blues, coached by Mile Colle and John Mackle and led by the fine running of Brian Jarvis, Enzo Montemurro and Bruno Pitoscio, finished the regular season in second place with a 5-2 record and are preparing for the playoffs.

The Junior Kerry Blues also finished second with 6-1 record, coached by Jack Fenn and Paul Forbes. The Juniors have a solid offense and a strong defence. With such balance and depth, they should do well in post-season play. John Frezell and Robert Placko can both score from a long way out and Quarterback Joe Pullano's fine passing adds balance to the offense.

The Bantams are coached by Mike Coghlan, Ed Brylowski and Nick DiPinto. They have a fine passing attack and a defense that is very hard to score against. With two shutouts to their credit, they finished the regular season in third place with a record of 3 wins, 1 loss and 1 tie. They too are preparing for playoffs.

House League Football — With the availability of the new field, house league football was begun again on a homeroom basis. It is 6 man football with three games being played on the field at the same time. The student response has been very enthusiastic. Don Shanahan, Father Rocco Volpe, and Father Tony Kelly are in charge of the league.

Soccer — Mr. Tannis' Senior soccer team had a very rewarding season last spring. With 7 shutouts in 12 games, they were very strong contenders. Ironically, it took a shutout to beat them as they lost 1-0 in the finals. They are looking forward to another good season this year. So too are the Juniors under DiPinto and the Bantams

coached by Tom Leo.

Hockey — House league hockey is a well-established and very popular winter activity. Barry McDermott is the convenor and this year there will be over 400 boys involved with every homeroom represented.

SELF-EVALUATION: The Best Person to Get to Know is Yourself

Evaluation is a quality and exercise performed by mankind, just as, most of us accept evolution as fact. It seems we use our power to evaluate in interpreting both our evolution and own unique self. Further, it appears we can discover or uncover our self so we can communicate who we are to someone else with relative precision. How does one go about the process of self-evaluation?

As a first step, whatever our occupation or activity, we can think of ourselves as managers of our own lives. Our responsibility and opportunity is to recognize our own skills and abilities, and use them to accomplish our goals and objectives. As life managers, we can look at our ability to read effectively, write meaningfully, speak well or however we use our senses to listen to our environment. We can sense how much we practice to improve our skill in each of our actions or communications. We can share our common sense and new knowledge with others.

Our next step, is to identify our own uniqueness by

giving our intuition and creativity full rein. We can glide through our consciousness to discover latent energies and potentials to increase our capacity for life. We begin to apply our unique creative skill to solve problems. Now we can visualize new ways to extend our individual shorelines to accomplish our objectives. We become aware of our dynamic self.

Our dynamic self is our friend and guide who helps us accomplish our goals and objectives. By being kind to ourself, as we explore who we are, we can develop real material for our action or contemplation. We can cope with changes and communicate who we really are to another.

We can now proceed with the next step, which is the process of living, so our Mind, Body, and Spirit are pulsing in harmony. With the help of our self-evaluation ability, we can respond or make corrections continually as we proceed to our goals.

Tim Murphy

St. Michael's Old Timers Hockey

"Old St. Mike's Hockey Players Never Die They Just Keep on Playing"

The 1979-1980 season is well underway and after winning their division in the Guelph Old Timers Tournament in April, the team is confident of having a successful season. For the 1979-80 season they have entered the following Old Timers Tournaments:

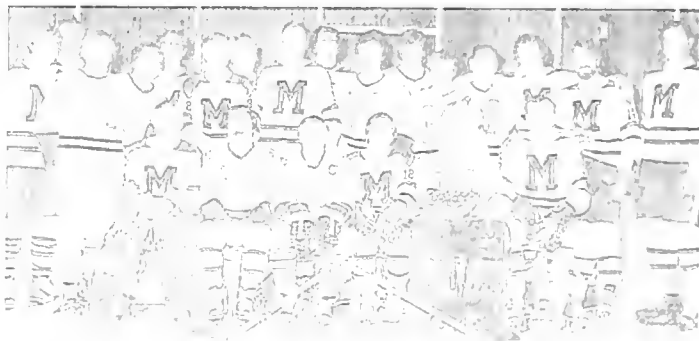

Thornhill, Ontario - October 12th - 14th
Montreal - November 1st - 3rd
Huntsville - November 30th - December 3rd
Toronto, Heritage - February 15th, 16th and 17th
Guelph - April 4th, 5th and 6th

They were semi-finalists in Thornhill, tying the game but losing out on a technicality.

Some of the members of the team are: Goalie - John Gariepy; Captain - Art Clune; Len Robinson, Frank Kielty, John Ferrigan, Terry Quealy, Bill Rosenitch, Bob Henderson, Paul Greise, Pete Grossi, John Younder and John Ferracuti. Bill Colvin, a regular with Huntsville Old Timers occasionally joins the team for a tournament when scheduling allows him to do so.

The team works out every Wednesday evening at the St. Michael's Arena at 6:00 p.m. with a group of younger players who can't wait until they are 35 so they will be eligible to play Old Timer Hockey. Some of the younger players are Bob Dubniack, Mark O'Hara, Peter O'Connor, Jerry Wiley, Paul Cadoran (Old Timer Coach), John Bear and goalie, Randy Maxwell. An important part of the evening is the gathering of the

players in the alumni room in the arena for refreshments and a discussion of the scrimmage that was just completed.

The team really enjoys tournament hockey. Not only is the playing great fun but it provides an opportunity to socialize with players from other teams and renew acquaintances. It seems that no matter where the team goes there is always someone who went to St. Mike's and is eager to know about the school and the whereabouts of some teacher or friend from the past. The team is a credit to St. Mike's both off and on the ice and it is hoped that the younger players will continue to attend and eventually take their place on the Old Timer Team.

HAVE YOU MOVED LATELY??
HELP US UPDATE OUR MAILING LIST

- Are you receiving your Alumni mailing at your proper address?
- Is a copy still being mailed to your old address or to your parents' home?
- Are you receiving more than one copy of each mailing at your present address or at several addresses?

The only way in which we can keep our mailing list up-to-date is if you keep us informed of any changes in your address. To assist us with the updating of our files, please complete the following form and return it to us as soon as possible. If you have any friends or relatives who are not receiving Alumni mail, please forward their names and addresses as well.
